

BIG RED

GIN

Big Red Kangaroo's all-Australian gin is carefully curated to showcase some of Australia's most unique botanicals, including macadamia, lemon myrtle, mountain pepper berry, salt bush and finger lime.

The result is a bold and delicious gin delivering a unique taste that reflects the Australian landscape – our interpretation of a true 'Spirit of Australia'.

TASTING NOTES

Nose – Juniper of course is dominant but some lively lemon peel and finger lime citrus notes, smooth out by eucalyptus oil, Tasmanian pepper berries and bush tomatoes.

Palate – Pepper, macadamia, lemon myrtle, fresh ginger, liquorice and nutmeg supporting the juniper.

SPIRITS OF AUSTRALIA
