

# BIG RED

## RUM

Big Red Kangaroo's all-Australian rum is well-respected for its rich and complex flavour.

Made from a blend of high-quality molasses and pure cane sugar, this rum is aged in oak barrels to create a uniquely smooth and distinct taste. Inspired by the iconic marsupial of the Australian outback - the Red Kangaroo - our rum is known for its strength and endurance.

Our Big Red Rum is a perfect representation of the rugged and adventurous spirit of Australia.

### TASTING NOTES

Nose - Smoky toffee and fudge notes lead into pecan and oak tones, with a hint of copper, a burst of orange and marzipan to finish.

Palate - Licorice and cola are evident as well as nut oil and cardamom, then maple sweetness and a creamy butterscotch and soaked fruitcake finish.
