TASTING NOTES

Heathcote Distiller's Navy Cut Gin is where we love our gin to be. Juniper forward and featuring a range of Australian native and grown botanicals, the higher ABV at 58% delivers an exceptionally smooth, subtly citrus classic gin.

If you're looking for the ideal gin that ticks all the boxes, this is it.

SERVING SUGGESTION

Without a doubt, our go-to for the classic G&T and martini.

GARNISH

Slice of lime or lemon, orange twist, finger lime, rosemary.
