TASTING NOTES

Heathcote Fin's Navy Strength Gin is the stuff of local legends. Made with the same botanical ingredients as our signature Founders Gin, the higher ABV (57%) delivers a dramatic, but surprisingly smooth interpretation of the flavours found in our much-loved Founders.

Delicious and beautifully balanced, Fin's is already a firm favourite as the classic G&T, delivering an intensity in flavour that won't get lost in the tonic.

SERVING SUGGESTION

Without a doubt, our go-to for the classic G&T.

GARNISH

Slice of orange, lime or lemon, finger lime.
